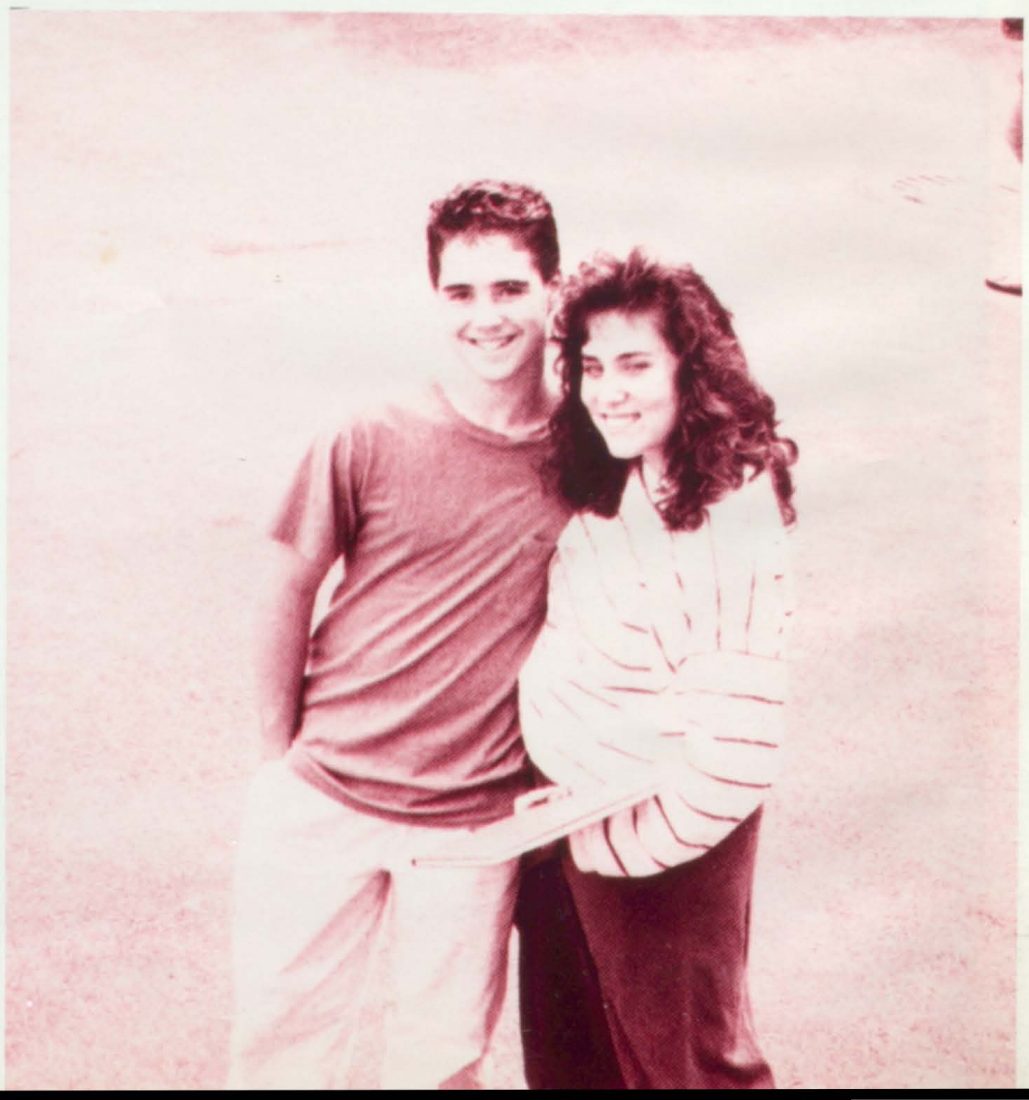
Together

Homecoming, proms, and just being with friends are the times you will always remember. Sometimes you don't even realize what a good time you're having because you are so busy enjoying yourself. When you look back, you will never forget these times.



Life is to be shared and together we

SHARED IT

Effort in doing or making something

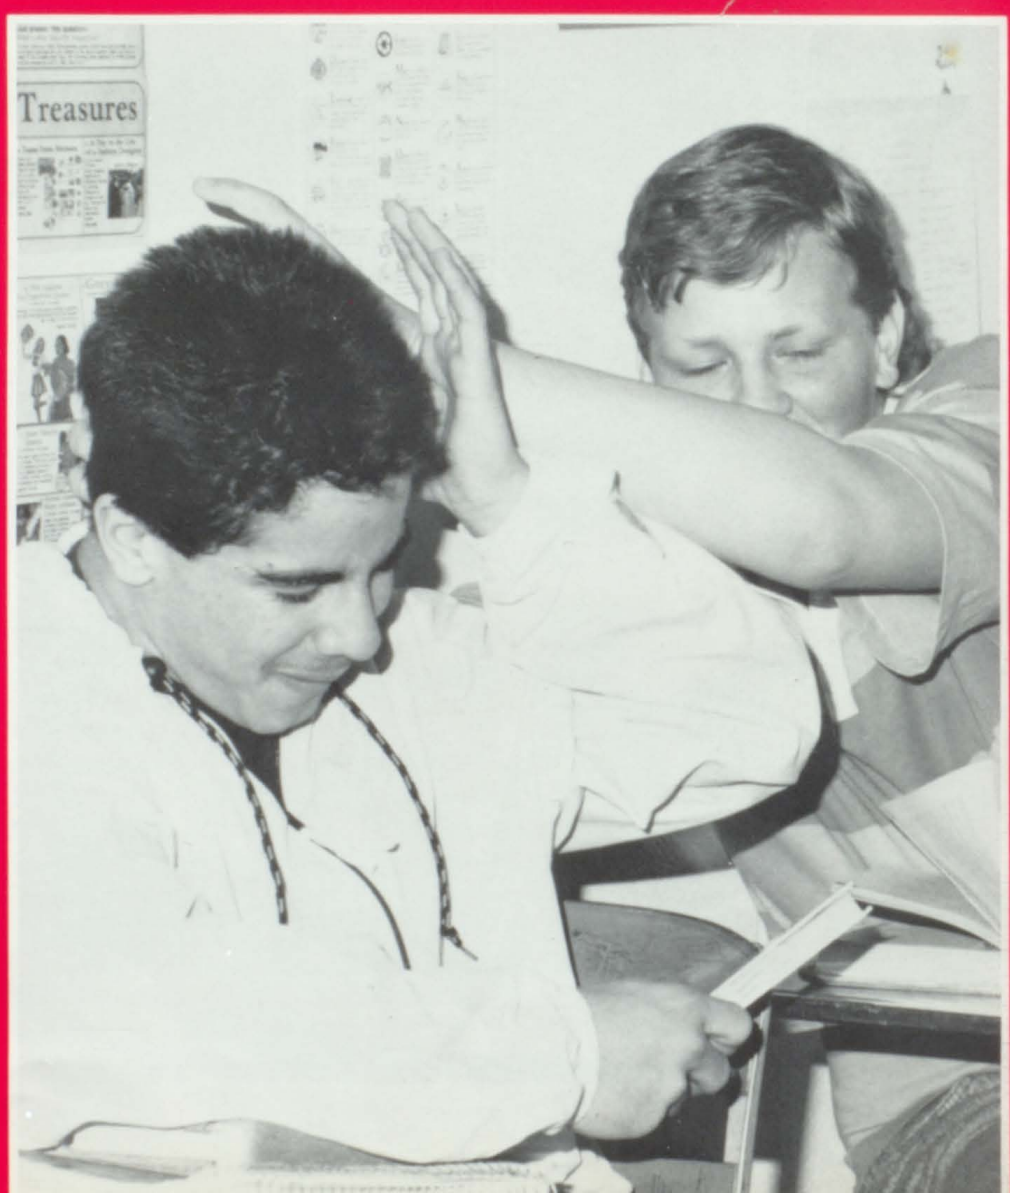
HARD WORK

Stressed

Don't worry . . . the English paper you haven't begun yet isn't due for another 31 minutes and 16 seconds. Wait, I take that back, it has to be typed, Worry. Don't worry . . . that class you just didn't feel was worth going to yesterday is at least 41 minutes away. Wait, I take that back, you don't have a pass, Worry. Don't worry . . . when you told Mom you were going to a movie with Jane and really went with Joe she believed you. Wait, I take that back, Mom called Sue's Mom, Worry.

Conquer

Go Wild! Find what you want and take it! Search and destroy! Go get anything your little heart desires, but don't forget to stop and smell the roses! Could you imagine working all of your life becoming more and more successful, and making more and more money. All work and No play, only to die in the end? It's perfectly fine to succeed and be the best you can be, but you've got to be able to stop and enjoy your success! Because it's not only important to know the price of something; you have to know the Value.

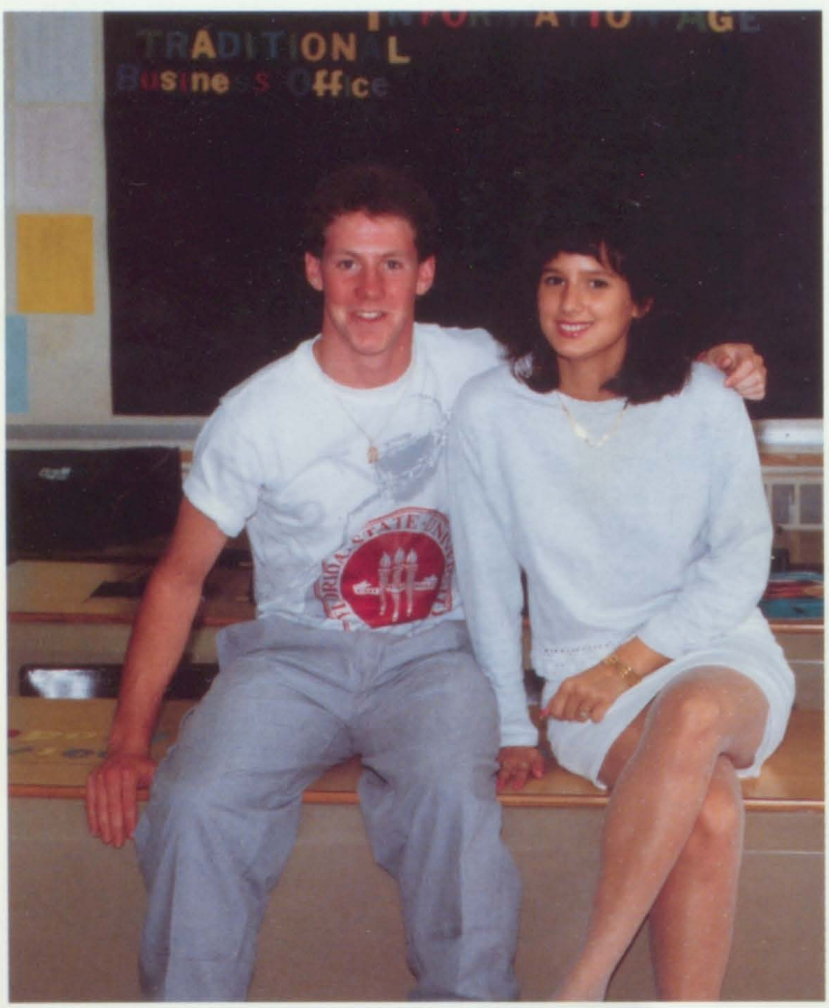


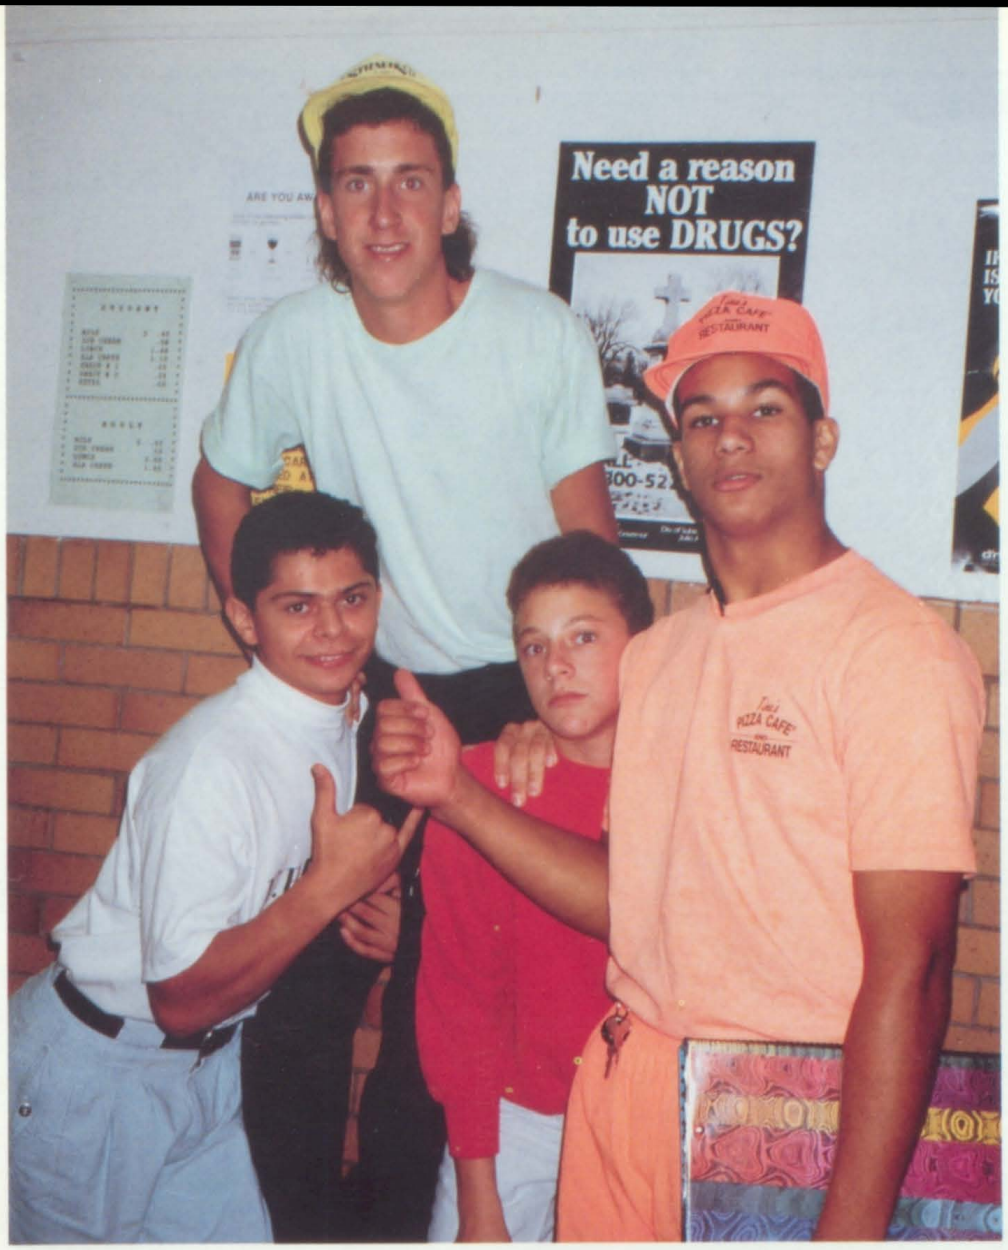
Your choice, simply to follow or dare

TO ACHIEVE

People who like and know others

FRIENDS





Buddies

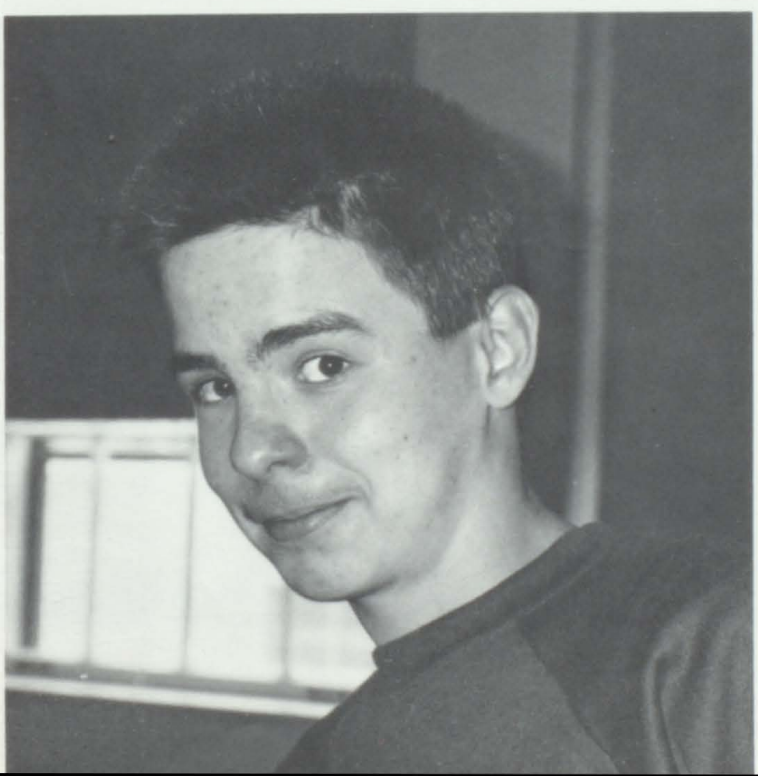
Think about your childhood friends for a minute, the ones who used to come over in the afternoon and eat peanut butter and jelly sandwiches with you. Now think about the complications of friendship today; people to impress, the right crowd to be in. But what really matters is having someone who's there for you through it all, someone to lean on, someone to laugh with or complain to, or just to sit around with. You've got to have someone who knows who, and what, you are and accepts you for it. When things get rough, remember that friends are friends forever; they're behind you all the way.

Free Time

Having fun at amusement parks, parties, concerts, mall hanging out, movies - ah, this is what weekends are made of. Catching up on English plays, term papers and readings ugh - this is what weekends are made of? Forty-eight hours to ourselves in a weekend seem like heaven after a long week.

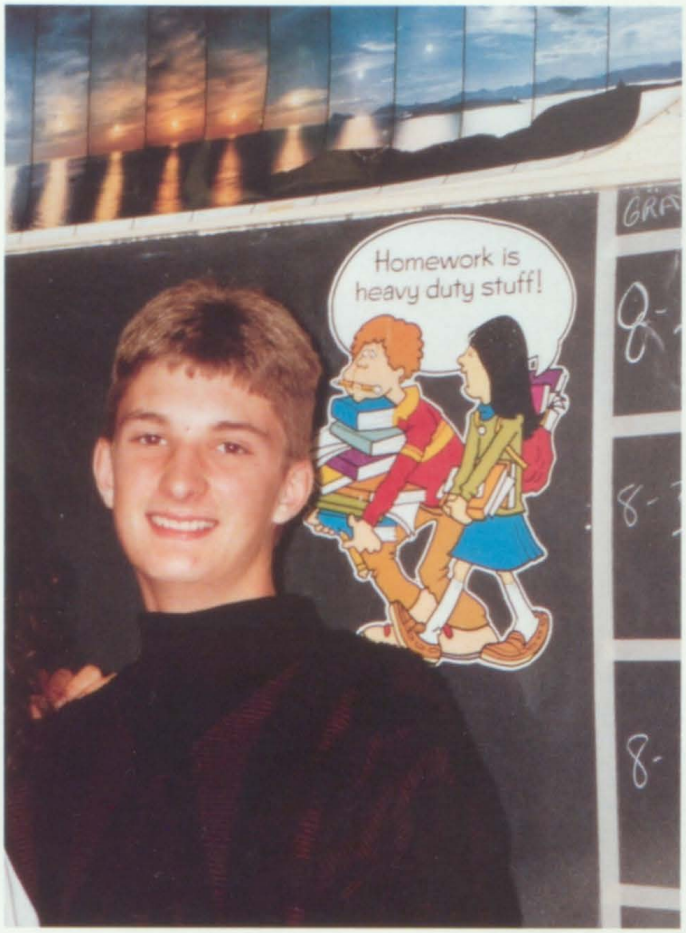
High quality or superior moments

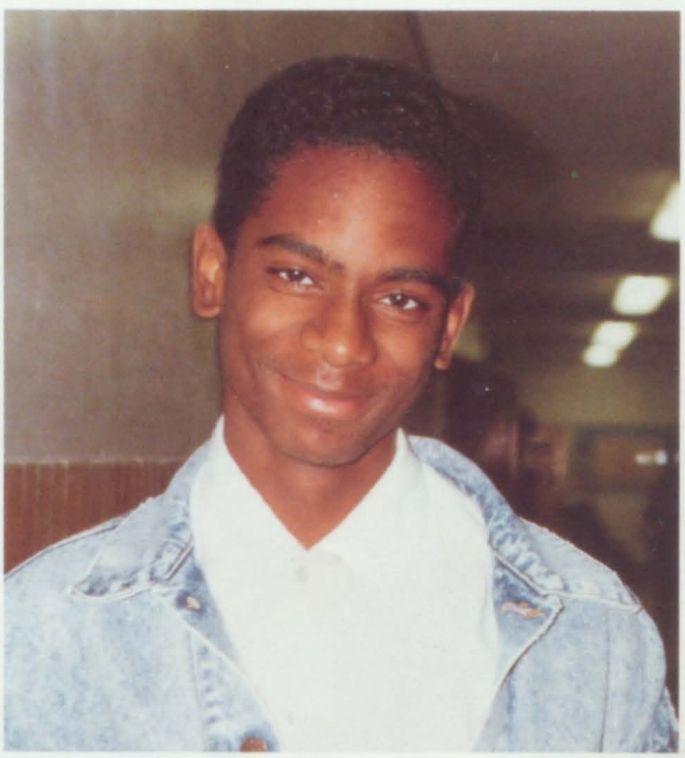
GOOD TIMES



Recalling that which is learned

MEMORIES





Remember

Do you remember your Third Grade teacher? What about your first boyfriend or girlfriend? These are things that stay fixed in our minds. These are our memories. These may not be fondly remembered; however, we are recollecting our past thoughts - good or bad. As we go on, we will always have our memories to learn from.

Goals

We're all trying to achieve goals. For some that means striving for popularity-(dressing cool with your hair in the right place.)

For others, it might be the ability to sit in the cafe without being struck by a launched pastry shooting through the air. Usually, we think of a "goal" as something we kick a soccer ball into. It also might include getting into Harvard, becoming the nuclear physicist grandma always knew you'd be, and blowing up the universe. Wow! Now that's big!

Today is the tomorrow you worried about yesterday

ALL IS WELL

Farewells, leave takings

GOODBYES

So Long

We have all been together for a long time. We have many things to recall in the future. We have memories of the weekends, of our hard work, of our friends, and good times. Now, it is time to say good-bye. We wish you all good-bye as we hold back the tears, and we hope that we won't forget any of our high school years.

It is my hope that all of our stu dents reading this will make the most out of life. Each needs to find the talent that exists within and use it to advance confidently in the di rection of their dreams. Everyone needs to take time to dream about the way they would like their life to turn out and then pursue that dream. Life is very much a do it yourself project with education as the key. Opportunity is there for anyone who is willing to believe in himself or herself and who is willing to do the work necessary to make their dream come true. Best wishes to the class of 1991!

The 1990 Varsity baseball season started with many expectations. These were met when we finished the season with a 13-5 record, we won our first National Conference B Division Championship and when we were invited to play, for the fourth straight time, in the section nine playoffs. Highlights of this past season were the back to back no hitters by pichers Al Shust and Art Connolly against N.Y.M.A and John S. Burke, having three of our ballplayers Tim Clark, Bill Stamp & Mike Mancuso, attend an invitation only Chicaago White Sox Tryout Camp, having six of our nine starters, Tim Clark, Art Connolly, Al Shust, Bill Stamp, Mike Mancuso and Henry Walthers, hit over .300, having Tim Clark and Bill Stamp selected to first team and honorable mention honors on The T.H. Record's All-Star selections. It was a season that had Jeff DeLuca step in and do an outstanding job behind the plate and where Bryan O'Neill, Keith Dolan, Scott Balach & Brian Kadow filled vital roles as utility players. The final highlight was when we lost in an exciting 1-0 ten inning game for the National Conference Championship to Cornwall. It was a game that not only displayed the pitching talents of Gary Lang but also the ability of the young men in the Chester Baseball program because they pushed the eventual O.C.L. Championship to the limit of their talent. We look for continued success and improvement in our program in the 1991 season because of the fine play of our Junior Varsity and Modified Baseball players this past 1990 season. Chester Baseball . . . where individuals bring victory as a team.

The Chester High School Soccer Machine only fielded a 15 player squad in the Fall of 1990. However, the lack of numbers in no way depleted the excellence of play and execution. If anything, Coach Payne's terrific 15 were outstanding and worked as hard, if not harder, than many teams in previous years. Without a doubt, the Chester tradition remained alive and well. The squads to follow will continue to have a tough act to follow. There was a lot more to the 7-7-3 record than the numbers.

The Hambletonians were going for their third division and conference title right to the very end. With the traditional shoot out with the Seward Spartans still alive and well. Chester again played for the sectional final against Seward, after beating a very good Fallsburg Soccer team 2-1 in the Semi-Finals. The Hambletonians did come away with the runner up Section IX plaque.

The Senior leadership was outstanding. The Underclassmen more than pulled their own weight. Shawn Firehock and Joe Jacobs tallied "Hat Tricks". Bryan O'Neill once again was outstanding in Defense in the Goshen situation. Then Mike Mancuso came on to be an awesome defensive force combined with veterans Gary Green, Dan Dreyer and first year player Brian Kadow. Colin Bowie continued to be an unnerving experience to The Seward Spartans defense, and Artie Connolly was a constant force to have to deal with game to game. Rounding out the cast of players, who as the season progressed, each had his day in the sun, were; Keith Dolan, Rob Moran, Greg Mant, Steven Maniscalco, Eddie Joyce, and Joe Higgins.

The Commitment, Dedication, Desire, and Togetherness that this team portrayed in the 1990 season will stand as a monument of what Athletics at Chester High School is all about. To really know the true meaning of accomplishment you would have had to be their coach. I was fortunate enough to have had that distinguished pleasure. To the Seniors good luck. You will all be surely missed. To the Underclassmen, see you in the Fall.

Verdelle L. Payne Jr.

THIS IS THE TIME

WE WALKED ON THE BEACH BESIDE THAT OLD HOTEL
THEY'RE TEARING IT DOWN NOW
BUT IT IS JUST AS WELL
I HAVEN'T SHOWN YOU EVERYTHING A MAN CAN DO
SO STAY WITH ME BABY
I'VE GOT PLANS FOR YOU

THIS IS THE TIME TO REMEMBER
CAUSE IT WILL NOT LAST FOREVER
THESE ARE THE DAYS
TO HOLD ON TO
CAUSE WE WON'T
ALTHOUGH WE'LL WANT TO
THIS IS THE TIME
BUT TIME IS GONNA CHANGE
YOU'VE GIVEN ME THE BEST OF YOU
AND NOW I NEED THE REST OF YOU

DID YOU KNOW THAT BEFORE YOU CAME INTO MY LIFE
IT WAS SOME KIND OF MIRACLE THAT I SURVIVED
SOME DAY WE WILL BOTH LOOK BACK
AND HAVE TO LAUGH
WE LIVED THROUGH A LIFETIME
AND THE AFTERMATH

THIS IS THE TIME TO REMEMBER
CAUSE IT WILL NOT LAST FOREVER
THESE ARE THE DAYS
TO HOLD ON TO
CAUSE WE WON'T
ALTHOUGH WE WANT TO
THIS IS THE TIME
BUT TIME IS GONNA CHANGE
I KNOW WE'VE GOT TO MOVE SOMEHOW
BUT I DON'T WANT TO LOSE YOU NOW

SOMETIMES IT'S SO EASY
TO LET A DAY
SLIP ON BY
WITHOUT EVEN SEEING EACH OTHER AT ALL
BUT THIS IS THE TIME YOU'LL TURN BACK TO AND SO WILL I
AND THOSE WILL BE DAYS YOU CAN NEVER RECALL

AND SO WE EMBRACE AGAIN
BEHIND THE DUNES
THIS BEACH IS SO COLD
ON WINTER AFTERNOONS
BUT HOLDING YOU CLOSE IS LIKE HOLDING THE SUMMER SUN
I'M WARM FROM THE MEMORY OF DAYS TO COME

THIS IS THE TIME TO REMEMBER
CAUSE IT WILL NOT LAST FOREVER
THESE ARE THE DAYS
TO HOLD ON TO
CAUSE WE WON'T
ALTHOUGH WE'LL WANT TO
THIS IS THE TIME
BUT TIME IS GONNA CHANGE
YOU'VE GIVEN ME THE BEST OF YOU
BUT NOW I NEED THE REST OF YOU

THAT DAY

That Day Has Come When Some
Will Say "How Did I Ever Do It?"
While Standing There,
Others Will Say, "I Finally Made It
Through It."
Those Memories Of What We've
Done, And Things That Were So Fun,
Sweet Memories That Never Fade,
And Last Till Kingdom Come
That Day Is When New Life Begins,
And The Child Is Left Behind.
That Day Is When You Recall Good
Times And Joys That Come To Mind.
That Day Is Graduation Day
So Full Of Happiness.
When Parents Cry, And Dreams
Fly High, It Calls For Nothing Less.

HAPPY GRADUATION

(Lynn, Nancy, Jennifer And Jami)

THANK YOU:

Mom & Dad – For being a constant support through all the bad times and for never giving up on me when life seemed hopeless. I know it wasn't easy, but we made it! I love you always and forever. P.S. Thanks for Mansfield, we got to see Penn!!

Joyce M – For all your help these past two years. I found myself and my strengths. I wouldn't be here without your help and my family's love. Thank you!!

Mrs. Brenner – For getting me involved in the Peer Leadership program, our talks in your office, your support and for helping me grow. You helped me find my good qualities and deal with my bad ones. You've been my friend and shoulder to cry on.

Mr. Watkins – For making me more argumentive, for math and chemistry confidence, guy advice and for helping me have more courage and confidence. I'll miss you, I love you.

Cat. – My special sis who I love very much and can't live without. We made it!!

Sue – Who I'm glad I know, I love you and thank you for always standing with me.
